What is a Mothers' Center?

MMC provides a variety of programs to address mothers' needs, including weekly discussion groups in various topics exploring motherhood, parenting and women's issues. Age-defined Mommy & Me and separation classes are also offered. Excellent trained childcare is provided during discussion groups. Social and group events are scheduled for both mothers alone and with their families. Open houses are offered and open to the public for new registrations at the beginning of each cycle, generally fall, winter and spring. Membership expires each August and includes nine monthly newsletters to stay informed of programs and activities. The Center is a non-profit, non-sectarian, volunteer organization. Join us for our next Open House on Monday, September 14th at 7:30 p.m.

Daddy and Me T-Ball Registration

Our Daddy and Me T-Ball program is part of our Summer Fun Program, and is designed to introduce young children to the fundamentals of the game of baseball and sportsmanship. It is our goal to run a FUN, INSTRUCTIONAL, and SAFE program for all participants. Each child must be accompanied by an adult. Even though it is called, "Daddy & Me", our program is open to moms, grandparents, etc. As a participant, please keep in mind the safety of your child and others. Proper parental supervision on and off the field is essential. Cheering fans are *always* welcome; however all spectators, especially young siblings, need to be kept off the field at all times.

The program provides bats, soft-training baseballs, and helmets. If you choose to bring your own helmet, it **must** have a face guard. Participants need to bring their own baseball gloves/mitts. Adult will be assisting his/her child on the field, so dress accordingly. The price of program includes a soft-training baseball (for use during warm-up drills, and to practice with at home), and program t-shirts and hats for both child and participating adult.

PLACE: John J. Burns Park (Massapequa), Walker Field (Massapequa Park), possibly others TBA

DATES: Six weeks during July & August. Please see registration form.
